The school is taking the concert to Wadalba Community School as the audience capacity is much greater than our school hall caters for. Students in 3-6 can be part of the audience during the K-2 performance to watch their younger brothers and sisters. In turn, students in K-2 can be part of the audience during the 3-6 performance. During each concert, performing students will stay with their teacher in the movement room next to the hall. Students will be collected after their concert, from the movement room. There will be class signs displayed.

Entry is by gold coin donation on the night (tickets cannot be pre-purchased). There will not be allocated seating. There are around 450 seats available and additional space for standing. Small children are encouraged to sit on parents' and carers' laps. Prams will need to be left outside.

We look forward to a great evening of entertainment.

Kind Regards,
Creative and Performing Arts Committee
